

Neurofeedback and Transcranial Magnetic Stimulation

A CEU Workshop for LPCs, LCDCs, LMFTs, and LCSWs

3.0 CEUs Will Be Provided Through
a Partnership with IntraCare
Behavioral Health

**August 18, 2017
9:00AM-NOON**

**Gus George Law Enforcement Academy
Classroom 4
1521 Eugene Heimann Circle
Richmond, Texas 77469**

Join Mental Health America of Fort Bend County for the 4th CEU Workshop of our 2017 series. We are very pleased to announce that our presenters are Kimberly Cress of the TMS Serenity Center and Joshua Brown, LCSW, BCN of the Fort Bend Women's Center.

This workshop will cover:

- An overview of traumatic brain injury (TBI) and the connection between intimate partner violence and TBI
- The positive results of utilizing neurofeedback on clients with TBI
- An overview of the history of transcranial magnetic stimulation (TMS) and how it works on the brain
- The use of TMS with treating depression and other psychiatric disorders

Workshop fee for members of MHAFBC	Free
Workshop fee for nonmember without CEU	\$25
Workshop fee for nonmembers with CEU	\$50

To register for the event: RSVP to ddelariva@mhafbc.org or call 281-207-2480

Registration deadline: August 16, 2017

Seating is limited so reserve a spot soon
