

PEACE (People Experiencing a Change through Education)

Presents

MINDS MATTER

Date: March 25, 2017

Time: 11: 00 AM – 1:00 PM

Place: Missouri City Baptist Church Multipurpose Center

Target Audience:

Clergy, faith leaders, congregants, community members, community leaders, and educators

Goals:

- To provide an overview of the symptoms and treatment options for the most common psychological disorders.
- To discuss stigma and other barriers to treatment.
- To increase awareness and use of mental health resources available in communities and the state.
