

*Founded in 1954 by Miss Ima Hogg*

Mental Health America of Greater Houston is one of the area's oldest non-profit mental health education and advocacy organizations. Since 1958, the organization has been a United Way Agency dedicated to enhancing the mental health of all Houstonians and improving access to care and treatment for people with mental illnesses. This is accomplished through collaborative education, outreach and advocacy.

### Key Messages

- Mental health is the foundation of healthy people, healthy communities and a healthy America.
- Mental Health America of Greater Houston works to educate and provide resources to individuals to help them understand how to protect and improve their mental health.
- Mental Health America of Greater Houston works with many organizations and constituencies to create change that will lead to increased access and improved mental health care in the community. We raise awareness and rally for legislation that promotes access to prevention, treatment and recovery.
- Mental Health America of Greater Houston is committed to bringing people hope, recovery and knowledge about mental health issues.
